

Welcome to The Wine Club – Vineyard Discovery Programme, a unique blend of hospitality and wine education brought to you by India's most popular wine portal [www.thewineclub.in](http://www.thewineclub.in).

The Wine Club's (TWC) passionate endeavor to bring the world-class wine culture to India has translated into its revered **Vineyard Discovery** Programme, which is a series of pioneering and well-structured 'wine trails' that runs through the major wine producing states of India like Maharashtra and Karnataka.

The vineyards and wineries for this programme are carefully chosen and mapped, to ensure that our valued guests get an opportunity to taste some of India's finest wines. The serenity and the picturesque backdrop of the vineyards also amplify the overall experience. TWC wine experts conduct these trails with utmost care and make sure that the guests are well apprised about the Indian wine story.

These wine trails (Vineyard Discoveries) are offered in the form of 'One-Day Tours' as well as 'Over Night Tours'. Both One-Day and Overnight Wine Tours can be Customized, Gifted, made Personal and even tailored for Corporate Clientele.
